

REMARKS

In response to the Notice of Non-Compliant Amendment dated September 19, 2005, a telephone call was made to the Examiner requesting identification of the deleted text that has not been shown by strikethrough in the paragraph beginning on page 8 at line 25. The Examiner advised that there was no error in this paragraph and that she intended to identify the paragraph beginning on page 8 at line 14, and in particular that the sentence "The potential employee is prompted for their health history information which includes, but is not limited to the if the potential employee is currently under a provider's care 409, if so..." as not making sense.

In this telephone conference, the Examiner agreed that this problem could be corrected by deleting "the" from "...which includes, but is not limited to ~~the~~ if the potential employee..."

Consequently, this response includes the paragraph beginning on page 8 at line 14 as a **(New correction)** and does not include the paragraph beginning at page 8, line 25, which should **NOT** have been identified as being non-compliant.

CONCLUSION

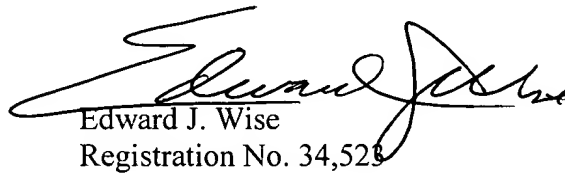

Accordingly, it is urged that the application, as now amended, is in condition for allowance, an indication of which is respectfully solicited. If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, Examiner is requested to call Applicants' attorney at the telephone number shown below.
